Cheryl Van Den Berg thanked the Fire Department for all their volunteer time not only for emergency response but for the additional time they dedicate beyond calls for education and training.

Resident and Board discussion regarding the town maintenance boom mower currently being serviced. Discussion of long-term investment of servicing and maintaining current boom mower vs looking into purchasing new, rent equipment, or hiring service. Many roads in the town and all newly resurfaced roads are built up which creates a steep road ditch. The boom mower is used for those locations where the maintenance mower cannot access. Discussion of current options to assist with certain locations to improve visibility and safety. Resident suggestions for hiring while boom mower is being serviced: Charlie Meltz (town resident), Jon Sobiek (town resident), Oneida Nation (maintenance department), Lucas Vellema (contracted through County Drainage District)

Pat Cornelious asked what the feet of a right-of-way is. The approximate distance is 66 ft of right-of-way; however, it can differ from road to road to depending on the width of the road.

Adjournment: Terry Hock motioned to adjourn at 7:51 P.M. Al Krause seconded the motion. Motion carried.
