# EMS ACTIVITY REPORT

2021

## ABOUT US

County Rescue is a non-profit ambulance provider offering exceptional medical services. Our services include Emergency 911 response, with a focus on Northeast Wisconsin. County Rescue's primary goal is to achieve positive patient outcomes in a timely manner. Attention to patient need is our number one priority.

We currently employ over 150 licensed medical personnel ranging from volunteer Emergency Medical Responders to Critical Care Transport (CCT) Paramedics who respond from each of our four stations located in Bellevue, Howard, Suamico and Denmark. In addition to Emergency 911 response, County Rescue also provides paramedic assistance to outlying ambulances and other Brown County agencies. We also share a close partnership and utilize EAGLE III ground and air transport based on the patients' medical needs.

## EXECUTIVE SUMMARY

This report provides an overview of County Rescue's activity in the Town of Oneida for the 2021 calendar year.

Currently we have 3 individuals in the group. They are, Rachel McInnis, (EMR 8-18-19); Angela Hoffman (EMT 11-11-2020); and Fernando Silva (EMR 2-1-2022). County Rescue continues to recruit and train new responders and have at least one more graduating soon.

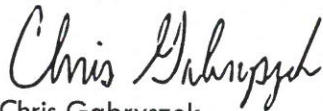

In the calendar year 2021, County Rescue had a total of 272 calls for service in the Town, which is a slight increase from the 236 calls in the previous year.

To further breakdown the calls, 43% of these calls required Advanced Life Support, 23% were Basic Life Support and 28% were no-transport or lift assist calls. County Rescue does not charge for no-transport calls and provides them as a courtesy to the residents and visitors of Oneida. This category consists of non-injury crashes, fire standbys and falls without injury.

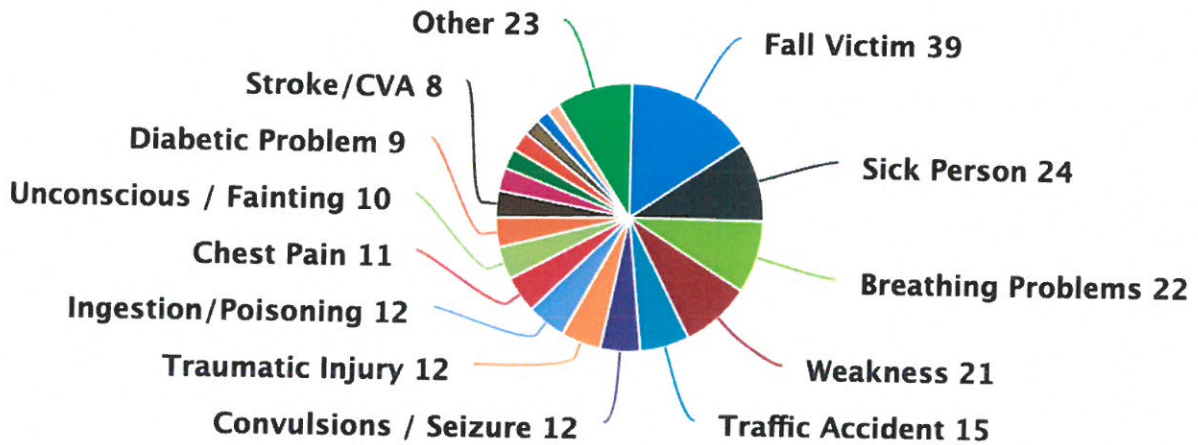

On the following pages are further breakdown of our call volume by category, destination, response time, level of care, overall call volume as well as call volume breakdown by day of week, and time of day.

I would like to thank the Oneida First Responders, Oneida Fire Department, Oneida Police and the Outagamie Sheriff's Department for their assistance and support in completing our mission. County Rescue looks forward to continuing to provide excellent care to the residents and visitors of the Town of Oneida.

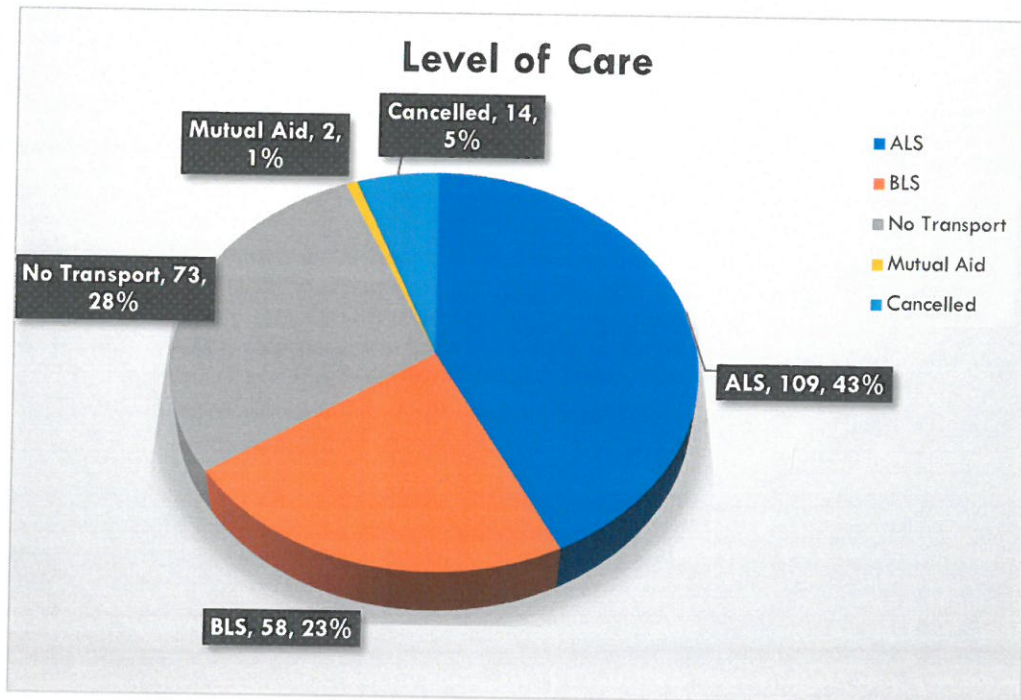

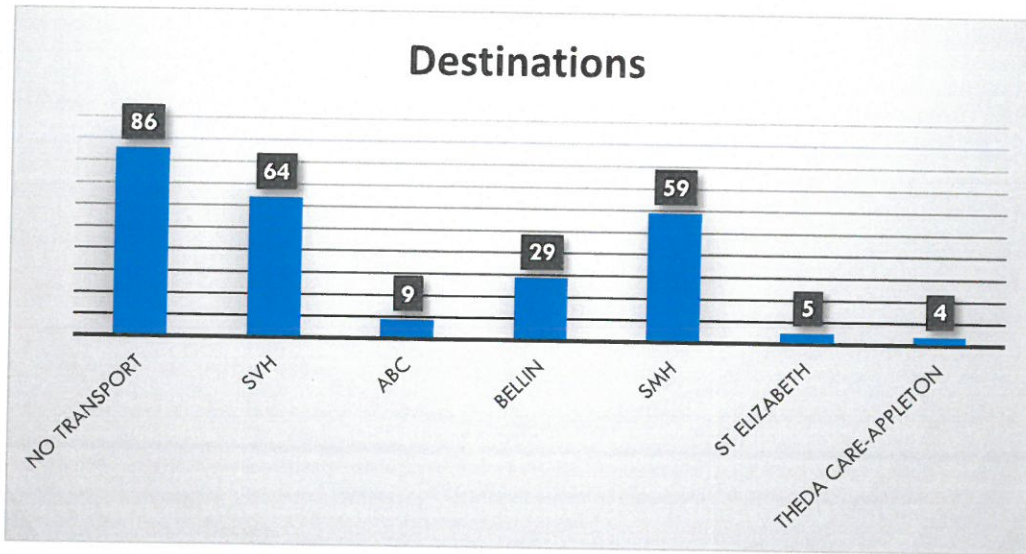

Sincerely,

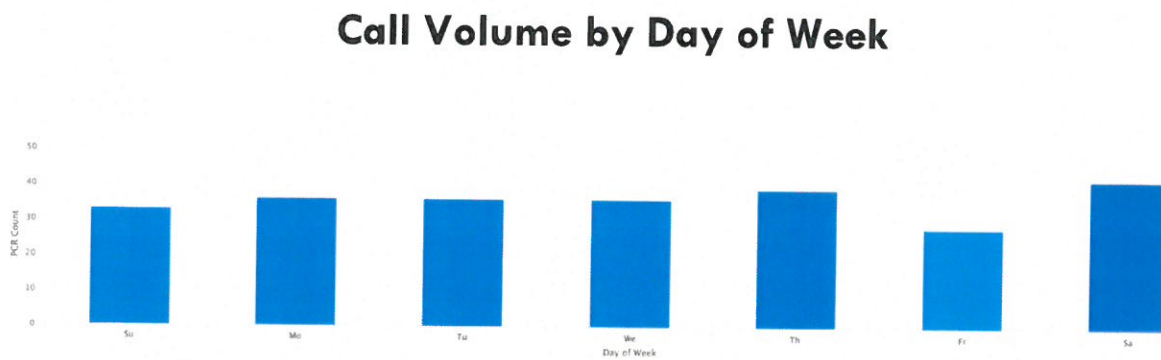

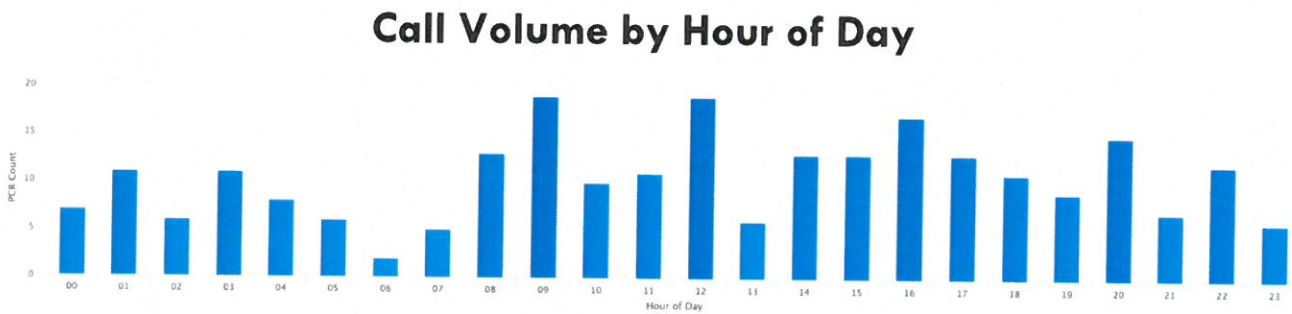

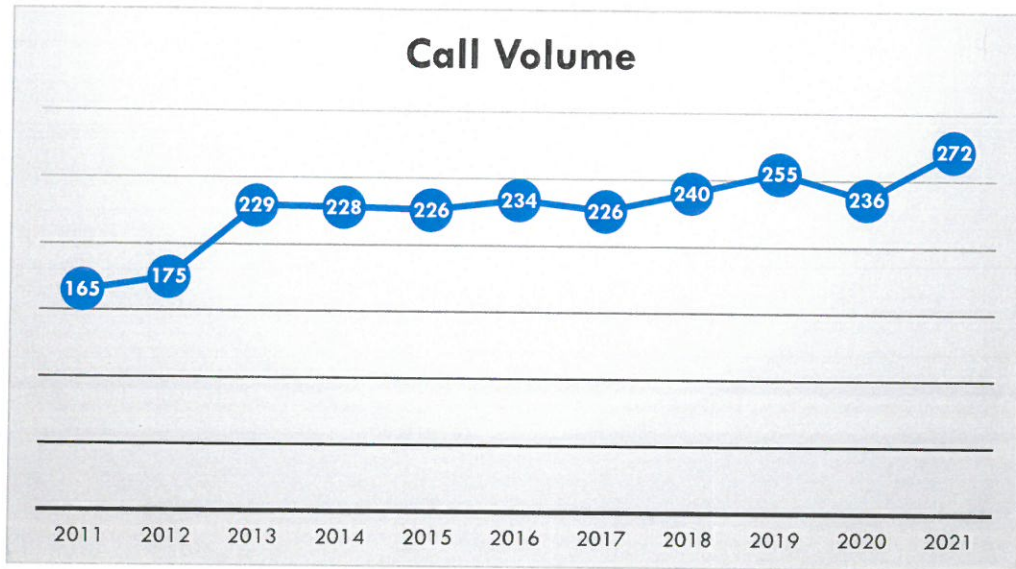

Chris Gabryszek  
EMS Chief
