#### Old Business

Fiber Optic Lines. Scott Schaumberg discussed the Town of Oneida right of way permit in comparison to the Town of Kaukauna sample permit. Scott discussed that the Town of Oneida permit does have specific details of work being done within the right of way, whether or not a company follows it is the concern. The concern is having the lines placed in a straight line to avoid a future concern. Scott Schaumberg stated that at this time the Town of Oneida will keep the Right of Way permit as is.

Open Discussion – Limit 3 minutes per person

Al Krause thanked the Fire Department for coming out with assistance of his dad who fell into the manure pit.

Glen Olson discussed the concern of trees that fall into ditches. Glen suggested this may be something the Town should look into.

Glen Olson discussed the concerns of manure hauling on town roads. The process of the frac tanks being parked in the ditch and then the manure haulers parking on the edge of the road is causing the edge of the road to break apart. Further discussion of this process and reasoning for it. Scott Schaumberg stated the Town Board met with Oneida Nation and they presented a preliminary there is a hand out regarding the Oneida Nation

Scott Schaumberg made a motion to adjourn at 8:10 P.M. AL Krause seconded the motion. Motion carried.
